PREFACE

This directory of *Chiefs of State and Cabinet Members of Foreign Governments* is updated monthly. It is intended to be used primarily as a reference aid and includes as many governments of the world as is considered practicable, some of them not officially recognized by the United States. Regimes with which the United States has no diplomatic exchanges are indicated by the initials "NDE".

Governments are listed in alphabetical order according to the most commonly used version of each country's name. The spelling of the personal names in this directory follows transliteration systems generally agreed upon by Government agencies, except in the cases in which officials have stated a preference for alternate spellings of their names.

NOTE: Although the head of the central bank is listed for each country, in most cases he or she is not a Cabinet member. Ambassadors to the United States and Permanent Representatives to the UN, New York, have also been included.

BOSNIA AND HERZEGOVINA, REPUBLIC OF

(As defined in the Dayton Federation Agreement of 10 November 1995, the Bosnian Muslims and Bosnian Croats are required to establish both a Republic Government—empowered with conducting all foreign policy functions of Bosnia—and a Federation Government—empowered with non-foreign policy functions. The current Republic Government institutions are to serve as temporary governing structures until country-wide elections are held in the fall of 1996. After Bosnian elections, the Republic Government is to be disbanded so that a central government can be formed with both Federation and Republika Srpska participation. The powers of the central government will mirror the current Republic Government, while the Federation and the Republika Srpska Governments will retain control of internal functions.)
